Dear Sir or Madam

The above mentioned modules are manufactured in the USA from synthetic organic or inorganic chemicals at our Tewksbury, MA facility.

The equipment, raw materials and production aids used in the manufacturing and packaging of the above mentioned product does not come into contact with animal or biological substances, which would present a risk of Transmissible Animal Spongiform Encephalopathy "TSE/BSE\*\*", Genetically Modified Organisms "GMO\*\*\*" or products thereof.

Furthermore, none of the food allergens listed in Annex IIIa of Directive 2000/13/EC, amended by Directive 2007/68/EC, is used during the production and packaging of the mentioned Evoqua Water Technology parts.

Above mentioned Evoqua Water Technology parts corresponds with the technical data and recommendations given in the relevant Safety Data Sheet (SDS) and Product Information and Technical Information

For further information concerning the application, please contact your local Evoqua Technical support affiliate

Yours sincerely,

Rahoul Bhagat  
QA Manager
